

**US OPEN SWING DANCE CHAMPIONSHIPS**  
**"HOW TO PRONOUNCE MY NAME" FORM**

For information purposes only. Please complete this form and return it with your entry. It will be sent to the MC prior to the US OPEN SWING DANCE CHAMPIONSHIPS so that he can "practice" the correct pronunciation of your name(s). Since there will be no official roll call at the Competitors' Meeting, this form ensures that your name(s) will be pronounced correctly.

Please note that your city and state will also be announced, so please be sure to complete that section as well. You may want to use a more recognizable city rather than the suburban area – for example – Seattle, Washington is better known than Shoreline, Washington.

**PLEASE PRINT LEGIBLY**
